

Lose the Bag!

Please do not place plastic bags in recycling.

Did you know that plastic bags and plastic film cannot be recycled through a ~~single-stream~~ recycling program?

Items such as air bags for packaging, plastic wrap, plastic ~~take-out~~ bags and trash bags should never be placed in your recycling cart or bin.

Not only will those items end up in the trash, they could also end up costing you a contamination surcharge.

Please take plastic bags and film to a big-box store for recycling where acceptable.

Holiday Reminders

There will be no collection service on the following holidays:

- **September 2 (Monday)**
- **November 28 (Thursday)**
- **December 25 (Wednesday)**
- **January 1, 2020 (Wednesday)**

Collections following a holiday will be delayed one day for the rest of the week. For example, if a holiday occurs on a Thursday, Thursday collection will occur Friday and Friday collection will occur Saturday.

Do You Consistently Have Overloaded Containers?

Resize Your Trash Cart and Commit to Recycling RightSM.

Woodland residents can subscribe to three different trash cart sizes.

Rates:

(Charge per month for weekly service.)

35 gallon - \$12.53

64 gallon - \$14.76

96 gallon - \$25.72

Every Woodland residential account can receive up to two recycling and organics carts at no additional cost. Contact customer service at 530-662-8748 to resize or order additional carts. Visit woodlandrecycles.com to see how to Recycle Right!

NO LOOSE BAGS

DO NOT BAG RECYCLABLES

NO PLASTIC FILM OR PACKAGING
